

# Assignment 2

ID609OE1

Steffen Geving

An Azure infrastructure assignment tasked to make an active directory server configuration for a company.

Year 2 Semester 2  
Otago Polytechnic  
New Zealand September 8, 2022

# **1 Abstract**

Details and research on configuration of key infrastructure services on Azure cloud services for a company named 'ABC International.' Through implementing and documenting this it covers the course learning outcomes 3 and 4:

- Investigate cloud and Directory Services.
- Execute System Administration Tasks in Diverse Platform.

## **2 Section two**

And this is section two.
